College of Technology

Sardar Vallabhbhai Patel University of Agriculture and Technology

Now Offers B.Tech. in Computer Science & Engineering

Our High-Tech Labs: AI, ML, IOT and Drone Technology

कृषि विश्वविधालय, मेरठ में उत्तर प्रदेश एग्रीटेक इनोवेशन हब का लोकार्पण

The Uttar Pradesh Agritech Innovation Hub was inaugurated by Hon'ble Education Minister Mr. Dharmendra Pradhan, Minister of Skill Development and Entrepreneurship Mr. Jayant Singh, and Uttar Pradesh Agriculture Minister Mr. Surya Pratap Shahi. This hub is dedicated to providing training and resources in advanced technologies such as Artificial Intelligence (AI), Machine Learning (ML), and the Internet of Things (IoT).

The College of Technology now offers specialized Drone Pilot Training, aimed at empowering the future of agri-tech. The program provides hands-on learning using industry-grade equipment and is designed to equip students with practical skills and certified expertise in drone operations, particularly for applications in agriculture and smart farming.

Computer Labs

Starting from the 2025–2026 session, the Department will offer a B.Tech in Computer Science and Engineering. Admissions will be based on JEE Main and AKTU counselling. The AICTE-approved 164-credit curriculum is industry-aligned and regularly updated. Classes are led by expert faculty in smart classrooms, supported by three well-equipped computer labs—with more on the way.
