

AJEET KUMAR SINGH

PERSONAL INFORMATION

Full Name: Dr. Ajeet Kumar Singh

Father's Name: Ramashankar Singh

Nationality: Indian

Date of Birth: July 15, 1991

Gender: Male

CONTACT DETAILS

Work address : Department of Mathematics, College of Post Harvest Technology & Food Processing, Sardar Vallabhbhai Patel University of Agriculture and Technology, Meerut-250110.

Phone : (+91) 9648131415

E-mail : ajeetsingh0347@gmail.com / ajeetksinghmaths@gmail.com

RESEARCH TOPICS

Applied Mathematics, Differential Equation, Mathematical Modeling, Solid Mechanics, Fracture Mechanics, Crack Propagation, Wave Propagation, Smart Material and Structure, Seismology

TEACHING EXPERIENCE

- I am working as an **Assistant Professor (Mathematics)** from October 23, 2024 to Till Date, at Sardar Vallabhbhai Patel University of Agriculture and Technology, Meerut-250110.
- I worked as an **Assistant Professor (Mathematics)** at Galgotias University, Greater Noida, Uttar Pradesh, India, from August 31, 2022, to October 22, 2024.

EDUCATION

- **Doctor of Philosophy (Ph.D.)** in Applied Mathematics from Indian Institute of Technology (Indian School of Mines), Dhanbad, Jharkhand, India. (2023).
Ph.D. Thesis title: **Mathematical analysis of elastodynamic problems involving layered structures comprising homogeneous/heterogeneous and isotropic/anisotropic media.**
Supervisor: **Prof. Abhishek Kumar Singh.**
- **Post Graduation (M.Sc.)** in Mathematics from Deen Dayal Upadhyaya Gorakhpur University Gorakhpur, India, (2014).
- **Graduation (B.Sc.)** in Mathematics, Physics & Chemistry from Deen Dayal Upadhyaya Gorakhpur University Gorakhpur, India, (2012).

AWARDS/ACHIEVEMENTS/SCHOLERSHIPS/FELLOWSHIPS

- ❖ Cleared **CSIR-UGC JRF in Mathematical Sciences** with **AIR 106** on December 2016.
- ❖ Cleared **Graduate Aptitude Test in Engineering (GATE) in Mathematics Paper** with **AIR 429** on 2017.
- ❖ Awarded **University Grands Commission (UGC) Junior Research Fellowship** during the first two years of **Ph.D.**
- ❖ Awarded **University Grands Commission (UGC) Senior Research Fellowship** during the last three years of **Ph.D.**

RESEARCH PAPERS PUBLISHED

[The mentioned quartiles were assigned during the times each respective paper was published. Source of quartiles: clarivates analytics ([web of science](#))]

1. **Singh, A.K.**, Singh, A.K., Yadav, R.P. and Guha, S., 2024. Analysis of stress intensity factor for moving Griffith crack in a transversely isotropic strip under punch pressure. *Arabian Journal of Geosciences*, 17(11), pp.1-12. <https://doi.org/10.1007/s12517-024-12098-w>

REVIEWER

Serving as reviewer to some SCI journals of American Society of Civil Engineers (ASCE), SAGE, Springer, Elsevier, World Scientific, Taylor & Francis etc.

CONFERENCES/ WORKSHOPS/ WEBINARS

1. **Delivered an Invited Talk on “Analysis of dynamic semi-infinite crack due to propagation of shear wave in elastic medium consisting of dry sandy properties”** in Workshop on *“Recent Development of Mathematical Sciences on Biological and Dynamics Systems with fuzzy and fractional environment* organised by the Department of Mathematics, Mahadevananda Mahavidyalaya, Monirampur, Kolkata, North Barrackpur, West Bengal, India, 19-29th June 2024.
2. Attended **“International Conference on Mathematical Science and its Applications to Artificial Intelligence (ICMSIAAI-2024)”** organized by **Department of Mathematics, SRM University, Sonapat, Haryana, India**, during January 17-19, 2024, wherein I presented a paper entitled “Effect of anisotropy on the propagation of the SH-wave influenced by crack in an orthotropic medium”.
3. Attended **“International Conference on Mathematical Science and its Applications to Artificial Intelligence (ICMSIAAI-2024)”** organized by **Department of Mathematics, SRM University, Sonapat, Haryana, India**, during January 17-19, 2024, wherein I presented a paper entitled “Effect of anisotropy on the propagation of the SH-wave influenced by crack in an orthotropic medium”.
4. Participated in **Seven days online workshop on “Building Internet Scale Applications (BISA-2023)”** organized by **Department of Mathematics and Computing, IIT(ISM) Dhanbad, Jharkhand, India**, during December 16-22, 2023.
5. Participated in **Faculty Development Program on “Frontiers in Multidisciplinary Research”** organized by **School of Basic Sciences, Galgotias University, Greater Noida, India**, during August 16-22, 2023.
6. Participated in **Faculty Development Program on “Frontiers in Multidisciplinary Research”** organized by **School of Basic Sciences, Galgotias University, Greater Noida, India**, during August 16-22, 2023.
7. Participated in **National Level Short-Term Training Programe** entitled **“Statistical Machine Learning”** organized by **ITER, Siksha 'O' Anusandhan University, Bhubaneswar, India**, during August 07-11, 2023.
8. Attended **“Faculty Development Program on “Interdisciplinary Aspects of Life Sciences for Translational Research: Opportunity and Challenges”** organized by **Division of Life Sciences, Department of Biosciences, SBAS, Galgotias University, Greater Noida, India**, during January 24-28, 2023.
9. Attended **“International Conference on Recent Trends in Mathematical and Computational Sciences (ICRTMCS-2022)”** organized by **Department of Mathematics and Statistics, Amity University, Kolkata, India**, during July 28-29, 2022, wherein I presented a paper entitled “Analytical study of smooth moving punch influenced by shear wave in an initially stressed dry sandy layer.”
10. Participated in **Global Initiative of Academic Networks (GIAN) Online Course** entitled **“GLOBAL SEISMOLOGY”** organized by **Department of Applied Geophysics, IIT(ISM), Dhanbad, Jharkhand, India**, during May 09-18, 2022.
11. Attended **“27th International Conference of International Academy of Physical Sciences (CONIAPS XXVII)”** on **“Recent Advances in Solid Mechanics and Seismology”** organized by **Department of Mathematics Kurukshetra University, Kurukshetra -136119 Haryana, INDIA** in association with **International Academy of Physical Sciences, Prayagraj, India**, during October 26-28, 2021, wherein, I presented a paper entitled “Crack propagation in two dissimilar dry sandy elastic layers influenced by shear wave”.
12. Attended **“International Conference on Mathematical Modeling and Simulation in Physical Sciences (MMSPS-2021)”** Jointly organized by **Department of Applied Mathematics & Humanities and Department of Applied Physics, SVNIT Surat, India**, during April 17-18, 2021, wherein I presented a paper entitled “Propagation of dynamic crack in double layered dry sandy elastic medium due to shear wave under non-harmonic loading”.
13. Attended **“36th Annual National Conference on New Challenges Emerging in Mathematical sciences (NCEMS-2021)”** organized by **Department of Mathematics, Institute of Science, Banaras Hindu University, Varanasi, India**, during February 06-07, 2021, wherein I presented a paper entitled “Stress intensity factor of dynamic crack in double-layered dry sandy elastic medium due to shear wave under different loading conditions”.
14. Attended one day **National Webinar on “Numerical and Scientific Computing”** organized by **Department of Mathematics and Statistics, Manipal Uninersity, Jaipur, India**, on July 28, 2020.

15. Attended one day **National Webinar** on “**Numerical and Scientific Computing**” organized by **Department of Mathematics and Statistics, Manipal University, Jaipur, India**, on July 01, 2020.
 16. Attended one day **National Webinar** on “**Mathematical Models on Transmitting behavior of Covid-19**” organized by **Department of Mathematics and Statistics, Manipal University, Jaipur, India**, on June 23, 2020.
 17. Attended one day **National Webinar** on “**Fluid Dynamics**” organized by **Department of Mathematics and Statistics, Manipal University, Jaipur, India**, on June 23, 2020.
 18. Participated in **ATM School Workshop** entitled “**Annual Foundation School (AFS-1)**” organized by **Department of Mathematics, IISER, Bhopal, Madhya Pradesh, India**, during December 03-29, 2018.
 19. Participated in **ATM School Workshop** entitled “**Continuum Mechanics: Principles and Applications**” organized by **Department of Mathematics, Panjab University, Chandigarh, India**, during November 19-24, 2018.
 20. Participated in the **National Training Programme** on “**Research Methodology**” organized by **IIT (ISM) Dhanbad**, during December 18-24, 2017.
 21. Participated in **National Conference** on “**Recent Trends in Mathematics and Statistics (CORTMAS-2013)**” organized by **Department of Mathematics and Statistics, Deen Dayal Upadhyay Gorakhpur University, Gorakhpur, India**, during July 27-28, 2013.
