

Brief Curriculum Vitae

Name : Dr. Vaishali, Professor
Contact detail: (M) :09528077774 Email; vaishali_a21@yahoo.com

Educational / Technical Qualifications:

Ph.D Biotechnology (2008) from Banasthali University, Rajasthan
M.Sc Biotechnology (1997) from IIT Roorkee, Roorkee

Teaching Experience: 22 years for teaching and research at UG and PG level

Specialization: Molecular marker and functional genomics for abiotic stress tolerance in crop plants

Research project

- One minor research project funded by UGC
- Two mega research project funded by RKVY and UPCAR
- Four research project funded by UPCST, DBT

Student Research Project Guided/Co-Guided

M.Sc student	guided/guiding	: 14,	Co guided/ guiding	: 48
Ph.D student guided	guided/ guiding	: 10,	Co guided/ guiding	: 32

Publications Summary

Research Papers : 85
Book Publication : 06
Book chapters : 03
Review papers : 08
Popular article : 03
Papers in symposium/ conference: 75

Foreign visits: Visited Dubai, Malaysia and Singapore for academic purpose

Award/ Honors: Received more than 20 recognition for teaching and research. Few of them are-
