

Webinar on “Enhancing Research Visibility and Use of ORCID” by the Central Library

Today on 10th Feb, 2026 a Webinar on “Enhancing Research Visibility and Use of ORCID” was conducted by the Central Library of University in collaboration with Central University of Himachal Pradesh. The theme was to enhance the visibility of University research at National and International Level. Major experts for the Webinar were ORCID Project Director, Professor Shivarama Rao K., Head, DLIS, Central University of Himachal Pradesh and Dr Mohit Garg from IIT, Delhi. They provided the insights on ORCID, a free, unique, persistent identifier for individuals to use as they engage in research, scholarship, and innovation activities. The faculty members and research scholars of the University were exposed that how ORCID can help spending more time conducting your research and less time managing it. The webinar coordinator was Dr V. P. Singh, Professor & Head, LPT, COVAS and Nodal officer, Central Library. Dr Rahul Kumar, OIC, Central Library was Co-coordinator of the event. The Vote of Thanks was given by Dr Pramila Umaraw, Assistant Professor, LPT, COVAS.

What's in a name?
Most names are not unique

Many people have the same or similar name, and names may change through marriage or other circumstances.

Individuals and organizations can use different alphabets, abbreviations, or naming conventions.

People use different versions of their names during their career.

Same Name Same Lab

Same Institution Same Paper

Participants visible in the grid:

- Mohit Gerg
- anurag verma
- Rahul Kumar
- DR JAI PARKASH
- Pooran Chand
- AKHIL PATEL
- Vivek Patel
- a N
- 55 others
- veerpal singh

11:21 AM | Enhancing Research Visibility and Use of ORCID

The screenshot shows a Google Meet interface. The title bar indicates the meeting is titled 'Enhancing Research Visibility and Use of ORCID'. The main content area features a slide with the heading 'ORCID is increasingly a hub for an immense amount of profile activity and data'. The slide is decorated with various icons and data points, including:

- ORCID members updated 2,171,992 records in 2021.
- ORCID helped researchers sign into member systems 48.1M times in 2021.
- 17,043,149 items were added via 501 integrations by 428 members.
- ORCID welcomed 179 new members, including our first from Vietnam, Cameroon, Malaysia, and Jordan.
- Publisher Systems: 1,892,957 researchers benefited from members updating records.
- Institutional Systems: ORCID records are viewed 200 times per minute.
- Funder Systems: ORCID data is read 117.5M times per month by reducing time and saving users time and reducing administrative burden.

The bottom of the slide features a green bar with the text 'meet.google.com is sharing your screen' and a 'Stop sharing' button. The video feed on the right shows Mohit Garg (Presenting) in a classroom setting. The participant list on the right includes names like anurag verma, Rahul Kumar, DR JAI PARKASH, AKHIL PATEL, vivek Patel, and veerpal singh, each with a small video thumbnail. The bottom navigation bar includes standard Google Meet controls for volume, video, and sharing.
