

Report of Games and Sports Competitions

The university organizes annual sports and games meet every year to develop the sportsman skill among the university students and also to select the university team for participation in ICAR-All India sports and games meet. Some of the major activities related to game and sports events held at the university during the last five years are as follows:

Spardha 2018 (Sports Competitions)

The University games and sports meet (SPARDHA-2018) was organized in the university in December 2018. All the teams of different colleges i.e. College of Agriculture, College of Biotechnology and College of Veterinary and Animal Sciences participated in various games like Badminton, Table Tennis, Kabaddi, Kho-Kho, Basket Ball, Volleyball and Athletics events like races, Jumps, throws etc. Each college conducted and monitored different sports activities for the selection of students at Inter-collegiate sports competitions. Students who secure first, second and third positions were awarded with medals and certificates for their achievement. Beside these, the selection for all India games and sports competition was also done by the selection committee of the university. University team consisting of 38 players (35 boys and 03 girls) participated in ICAR-All India Sports and Games competition held at Punjab Agriculture University, Ludhiana from 02-05 January 2019. Representation of university team in various events was appreciated.
