

Technical Fest/Academic Fest Report

World Food Day

World Food Day is celebrated every year in university to commemorate the date of the founding of the United Nations Food and Agriculture Organization. The following themes were observed year wise "Our Actions Are Our Future, Ending World Hunger by 2030 is Possible", "Our Actions Are Our Future, Healthy Diets for A # Zero Hunger World", "Grow, Nourish, Sustain. Together", "Safe food now for a healthy tomorrow", "Leave NO ONE behind" and "Water is life, water is food. Leave no one behind" for the years starting 2018 to 2023 respectively.

During 2019, World Food Day was celebrated at university on dated 19 October, 2019 in collaboration of Society for world Environment, Food and Technology (SWEFT), New Delhi in the Chairmanship of Dr. R. K. Mittal, Vice Chancellor, SVPUAT, Meerut. On this occasion many activities like Rangoli making, Quiz competition and Elocution was conducted and winner students were also awarded. A guest lecture was also delivered by Mr. Sunil Kumar (CEO, Fryo Chips, Meerut) on "Production and Processing Technologies of Potato.

National Milk Day

National Milk Day is celebrated every year on November 26. This special day honours the birth anniversary of Dr. Verghese Kurien, the "Father of the White Revolution in India," highlighting the achievement and importance of the dairy sector in our country. Activities like Rangoli making, Quiz competition and Elocution were conducted. Students also made different and healthy milk products. During 2022, Dr. Umesh Singh (Principal Scientist, ICAR-CIRC) on "Role of animal genetic resources on National Milk Production" and Dr. Hitesh Punia (Chief Executive, H.P.M.P.C. Ltd.) on "Milk Production and Processing: Status, Challenges and Possibilities for Future" were delivered their lectures.

World Immunology Day

The World Immunology Day, were observed annually on April 29. is dedicated to increasing global awareness of the importance of immunology for health and wellbeing. During 2022, the university celebrated World Immunology Day under the flagship of Indian Immunology Society (IIS), New Delhi on the theme of the year "Vaccine". One poster competition on "Vaccine" and workshop on the theme "Vaccine" were organized. A Quiz competition on "vaccine" for the individual under graduate, post graduate and Ph.D. students for 6 different constituent colleges of the university in which 134 students had registered. To celebrate the

occasion and also to aware students and faculty about the importance of vaccination a workshop was organized on the theme of the day "Vaccine". A total of 236 students and faculty members participated in the work shop. The chief guest of the function was Dr. R. C. Gupta, Principal, Lala Lajpat Rai Memorial Medical College, Meerut, Dr. Vijay Singh, Dean, College of Biotechnology was Guest of Honor of the workshop.

Agricultural Education Day

The Indian Council of Agricultural Research had decided to celebrate the birthday (3 December) of the first Indian union agriculture minister (1946) and the first President of Independent India, Bharat Ratna, Dr. Rajendra Prasad as Agricultural Education Day in India. In lieu of the same Agricultural Education Day was being celebrated by the university each year. On this occasion Poster presentation, Model presentation and Elocution Competitions were organized. Total 19 posters by 42 students and 7 models by 35 students on the were presented on the agricultural theme during 2022. Five students were participated in elocution competition. The Posters and Models were evaluated judging committee. The total 11 winners in Poster Presentation, Model Presentation and Elocution Competitions were awarded.
