

## Bio-agents production Centre

### Bio-agents production Centre:

**Name of OIC** Dr. Rajendra Singh  
**Contact Number** 94573 96755  
**Email Id:** singhrajendra0113@gmail.com

Bio control laboratory was established in the university with the financial help received from the government of India through UPCAR as a leading laboratory of UP to propagate and promote IPM technology. Biocontrol agents such as Trichoderma, Beauveria bassiana, Glycocladium virens, Nuclear Polyhedrosis Virus (NPV), Trichogramma cards, Metarhizium, Susmaonus, *etc.*, are being commercially produced and supplied to farmers of Uttar Pradesh, Bihar, Haryana, Delhi, and Uttarakhand to control the insects and pest.
