

Mushroom Research & Training Centre

Mushroom Research & Training Centre:

Name of OIC Dr. Gopal Singh
Contact Number 94124 65255
Email Id: singh_gopal2009@rediffmail.com

The Mushroom spawn laboratory was established in 2008 with the financial help of National Horticulture Board and Uttar Pradesh Council of Agriculture Research. Since April, 2015 it recognized as the ACRIP Co- operating Centre, Meerut by ICAR-DMR, Solan. In September 2022, it was converted into MRTC with the financial support of U.P. Government under Rashtriya Krishi Vikas Yojana. The aim of this centre is to validate and disseminate the technology developed as well as mushroom research and popularize mushroom as secondary agriculture. The centre organized time to time trainings for students, rural youth and farmers for the development of entrepreneurship in the field of Mushroom Production.
