

Sorghum Processing Pilot Plant

Sorghum Processing Pilot Plant

Name of OIC Dr. Harsh Prakash Sharma
Contact Number 9408398737
Email Id: harshsharma1983@gmail.com

The sorghum processing Pilot Plant at College of Post Harvest Technology & Food Processing focuses on dehulling, milling, and value-added product development such as sorghum flour, Dalia, Sooji and extruded snacks. It serves as a model for promoting sorghum as a climate-resilient and nutritious grain while offering hands-on training in processing technologies.
